#### SAP Statement

---

The Department of Student Health Services (A.P. Beutel Health Center) is an ambulatory health care provider serving the Texas A&M University student body through the provision of primary and limited specialty health care services.

---

#### Official SAP

---

#### 1. GENERAL

Services are directed to enrolled students. For any situation outside of Student Health Services' scope of care, stabilization and transportation will be provided as indicated.

#### 2. EMERGENCIES

2.1 In the case of an emergency within the service boundaries for Texas A&M University Emergency Medical Services (EMS), an ambulance attended by Paramedics and Emergency Medical Technicians (EMTs) will be dispatched.

2.2 Depending on the nature of the emergency, transportation will be provided to a local hospital. In some situations, it may be necessary to utilize a College Station ambulance for mutual aid.

#### 3. CHARGES

Treatment (including ambulance services) is available to all students who have paid the Group Hospital and Medical Services Fee; however, the fee does not cover all charges. Any non-students receiving treatment or transport by EMS will be charged on a fee-for-service basis.
