34.07.01.M0.01  Reselling of Tickets on Campus
Approved July 11, 2019
Next scheduled review: July 11, 2024

SAP Statement

This procedure describes the rights and responsibilities of individuals seeking to engage in ticket reselling on campus. This procedure is intended to reduce the incidents of counterfeit tickets being sold on campus.

Definitions

Campus – includes all land, buildings, facilities, and areas owned by the university, including areas leased, operated, supervised, used or controlled by the university (including sidewalks). Generally, the campus footprint is the area bordered by George Bush Dr. on the South, Texas Ave. on the East, Raymond Stotzer Pkwy/University Dr. on the North, and Harvey Mitchell Pkwy/FM 2818 on the West.

Counterfeit Tickets – imitation tickets that are not the official tickets issued by the university or event promoter.

Permit – the university issued documentation issued to every permitted ticket reseller.

Permitted Ticket Reseller – any person who has obtained a valid permit to engage in ticket reselling.

Ticket Reseller – any person engaged in the activity of ticket reselling. This term does not include a person occasionally reselling a ticket purchased for personal use.

Ticket Reselling – commonly referred to as “ticket scalping”, the act of reselling a ticket that was previously sold by the university and/or for an event to be held on the campus, when resale is done on campus by itinerant, roving, or transient vendors. Ticket reselling usually involves selling the ticket for more than the face value of the ticket, but some tickets are sold at or less than face value. This term does not include the occasional resale of a ticket purchased for personal use.
Official Procedure

1. Registration

A ticket reseller must be registered with the University Police Department (UPD). Permitted resellers must have on their person a valid permit and a state-issued photo identification card, and the permit must be conspicuously displayed.

2. Penalty

Any person engaging in ticket reselling on campus without a valid permit will be issued a criminal trespass warning (CTW). The CTW will be revoked after the individual obtains a valid permit.

3. Suspension of Permit

Any permit issued under this procedure can be suspended for misconduct. A suspended permit must be surrendered to UPD. Misconduct includes, but is not limited to:

3.1 Providing false information on their permit application.
3.2 Using a permit issued to another ticket reseller.
3.3 Failing to conspicuously display the permit.
3.4 Selling counterfeit tickets.
3.5 Violating the Penal Code, University Rules or SAPs, or city ordinances.
3.6 Conducting ticket reselling in a manner that creates disruption or adversely affects the safety of others.

4. Possession of Counterfeit Tickets

Any permitted reseller in possession of counterfeit tickets will have his permit immediately suspended and be issued a criminal trespass warning. The individual is ineligible to receive another permit.
