General Delegations:

The Chancellor is delegated the authority to sign and approve contracts of less than $750,000 not specifically reserved by the Board of Regents in System Policy 25.07, Contract Administration. In accordance with System Policy 25.07, §6, the Chancellor may delegate authority to deputy chancellors, vice chancellors, CEOs or others to sign and approve these contracts.

In accordance with System Policy 25.07, the Delegation of Authority for Contract Administration for all contracts less than $750,000 is shown on the following pages. In case of unavailability of the person who has the delegated authority, either the CFO or the CAO is delegated the authority to execute the contract. Other exceptions to this delegation are stated in System Policy 25.07, §3.

Certain contracts that involve or exceed an annual consideration of $500,000 or more or are longer than 5 years must be approved by the Board of Regents in accordance with System Policy 25.07, §2.

Notes:

1. REQUIRED GENERAL COUNSEL REVIEW (System Policy 25.07, §4): Unless otherwise stated in System Policies or System Regulations, all contracts that have a stated or implied consideration of $100,000 or more must be submitted to OGC for review and approval as to form and legal sufficiency when required by OGC guidelines that have been approved by the chancellor.

2. Proposed contracts and agreements meeting one or more of the following requirements do not need to be reviewed and approved by OGC, provided that such contracts and agreements are reviewed by the member in accordance with System Policy 25.07, System Regulation 25.07.01 and the System Contract Review Checklist:
   a. contracts and agreements entered into pursuant to an unaltered contract form or template approved by OGC within the preceding three years;
   b. interagency and intra-system agreements entered into pursuant to System Regulation 25.07.06;
   c. sponsored research contracts, cooperative agreements, and grants entered into with an agency of the United States government that contain standard clauses common to such contracts, cooperative agreements and grants.
3 All contracts for goods or services must be in compliance with System Regulation 25.07.03, *Acquisition of Goods and/or Services*. All purchases shall comply with state statutes relating to contracting with historically underutilized businesses and procurement of goods and services from persons with disabilities.

4 It is the responsibility of the person noted in the “Typical Routing for Departmental Review” section to signify in writing (via email or memorandum) that they have reviewed the contract before sending it to the next person on the list. It is the responsibility of the person noted in the “Authorization to Execute Contracts” sections to so note the complete routing and review certifications before signing the contract.

5 Questions regarding contract administration should be directed to the Department of Contract Administration.
