Rule Statement

Behavior that damages or destroys any University property may be cause for disciplinary and/or criminal action.

Official Rule

1. PROHIBITED

- 1.1. It is prohibited to operate roller skates, rollerblades, skateboards, bicycles, and two-wheeled scooters in a manner that damages or defaces any University property. This includes, but is not limited to any use of such equipment on benches, banisters, railings, planters, fountains, retaining walls, steps of buildings, loading dock areas, curbs, and walls. Use of such devices is further prohibited in all University buildings and indoor and outdoor sports facilities, unless prior approval for such usage is granted by the Vice President for Facilities or designee.
